TERMS—The terms of the sale are cash, unless other arrangements are made with the consignor from whom the cattle are purchased before sale time, and the sale manager and clerk are notified of the arrangement. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

SHIPPING ARRANGEMENTS—It is the obligation of the consignors and this Society to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment following the close of the Stock Show. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

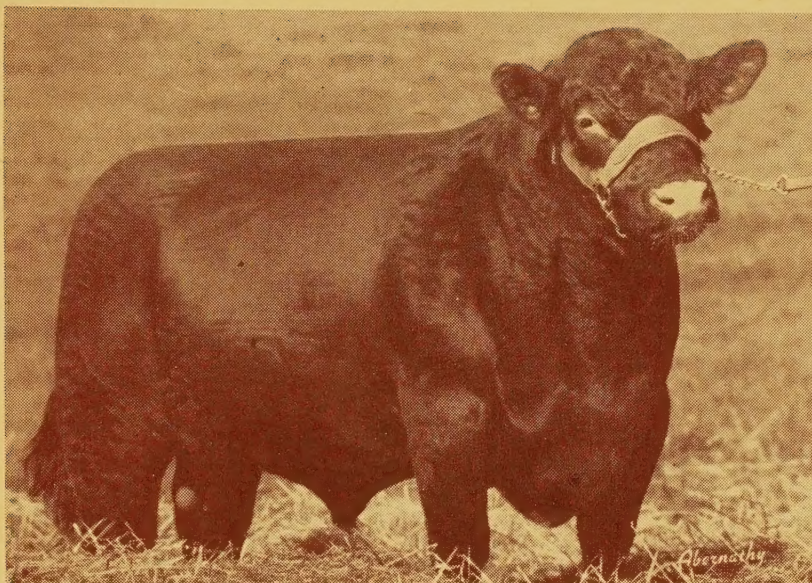

RELEASE OF SALE ANIMALS—The International Live Stock regulations do not permit the release of any animals purchased in this sale until after 10 P. M., Saturday, December 4th. Make your shipping arrangements accordingly.

INSURANCE—Coverage can be secured effective at the time of sale.

GUARANTEE—All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association. Health certificates will be provided with each lot sold.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

GOLD SOVEREIGN—Is a solid red bull that will appeal to breeders who want a bull to sire short legged, deep bodied, thick, full quartered calves for he is just that stamp of a breeding bull. He is deep in polled blood and should prove a dehorner. He is a grandson of Oakwood Gold Standard, full brother to Oakwood Commander, 1940 International Grand Champion bull, and is also a grandson of Collynie Fascinator, sire of Collynie Compact. We have confidence in him as a sire and have used him liberally in our herd.

GLEN KNOLLS MAJOR—Is a three-quarter brother to the two bulls we have sold at the top of the last two International Sales. He stood well up in the shows last year and has been undefeated as a senior yearling in 1948. He was a member of the winning get of sire at the 1947 Indiana State Fair and also at the 1948 Ohio State Fair. His dam, which we consider one of our most valuable brood cows, is also the great granddam of the 1946 International Reserve Champion female shown by Cherry Hill Farm.

KING OF THE VANITIES 30th—This dark roan bull has been used in the Thieman herd and is a valued member of our present show herd. He was first in class and Reserve Champion to his own half brother at the Missouri State Fair. He is a half brother to the 1947 International Grand Champion female and the 1948 Missouri, Illinois and Iowa Grand Champion bull and female. Eleven of the fourteen cattle listed in his pedigree were either International Champions or the sire or dam of an International Champion.

MINSTREL SUPREME—A solid roan, blocky bull, with an ideal head. He combines the bloodlines that have done so well for us. He is a half brother to the Illinois Sale Champion bull a year ago that was the top selling bull for an Illinois Sale. He is backed by several crosses of polled blood which, together with his individuality, should make him eligible to head a good herd.

Portland Champion Steer Sired by Polled Bull

The grand champion steer over all breeds at the 1948 Pacific International at Portland, Ore., Oct. 1-9, and junior champion over all as well, was this red Shorthorn shown by Jack Bennett (at the halter), son of J. W. Bennett of Winona, Wash. This steer was sired by the Polled Shorthorn bull, Alauna Collynie x, champion and highest selling bull of the 1946 Polled Shorthorn Congress at Lincoln, Neb., for Girton & Fennern of Vinton, Iowa, and purchased at that sale by the Bennett firm, owners of the largest herd of Polled Shorthorns in North America.

The Portland champion was 14 months old, weighed 940 lbs., and sold at \$1.50 per pound to the Bessinger Wool & Hide Co., Portland, who donated him to the Shrine's Crippled Children's Hospital.

The champion and reserve champion females of the Shorthorn breed show were Polled Shorthorn entries from the same herd, the first time for two polled heifers to go to the top over horned competition on the West Coast.

HILLDALE COLLYNIE—Here is championship breeding. His dam was the Grand Champion of the 1945 Omaha Sale and his sire is the popular Champion of the 1946 National Polled Shorthorn Congress. He was undefeated in class as a junior calf in 1946 against strong horned competition. Was a member of the first prize pair of calves at the Pacific International and his sire has just produced a grand champion steer at the Pacific International. He is a very dark roan bull and is Bangs vaccinated.

JANESWAY ROYAL COMMAND—One of the top summer yearlings at the fall shows. He is low set, richly colored, smooth headed and the type that will make him a top two year old for next year. Placed either first or second at seven fall shows including the Illinois and Ohio State fairs.

MISTY VALE ROYAL LEADER—Is a solid red bull of exceptional promise both as a sire and as a show bull for 1949. A grandson of Edellyn Royal Leader and Collynie Compact—he represents a combination of proven performance. His dam is a full sister to Cherry Hill Clara 4th, the \$2,500 Grand Champion female at the 1948 Congress, and she is a heavy milker and an ideal type. His color is ideal, his type is modern and his inheritance guarantees his ability to sire the better kind.

He is closely related to Maxwalton Gloster 87th, although defeated in class was the top selling female of the 1941 International Sale and later produced Millbrook Crown, the 1947 International Grand Champion bull. The Champion and top selling female of the 1942 Congress was from the same family, as was the top of the 1943 Congress.

SUPER-EFFICIENT BEEF PRODUCTION

Latest word from other cattle producing countries shows that economy buyers everywhere are swinging to Polled Shorthorns. The economic significance of the Polled head plus all the famous Shorthorn early maturity, greater weight for age, and easy-feeding dispositions is gaining rapid favor with cattlemen the world over.

In America, breeders look to the International Polled Shorthorn sale for the outstanding offerings of the year from the nation's leading herds. Nowhere else do they find quite the wide selection with so many pleasing combinations of outstanding bloodlines, combined with superb individuality and modern type, and NEVER—in the entire history of Polled Shorthorns—have you seen such a collection of outstanding individuals and royal bloodlines as have been consigned to this sale. Every OUTSTANDING SHOW HERD in the last few years and a great number of headliner sires are represented. If you are looking for animals for super-efficient beef production—MEET US IN CHICAGO ON SALE DAY.

ROCKMOOR MASTER—Is a straight, compact son of Rockmoor Clipper King and out of the good cow, Oakwood Merry Mistress. Note that both the sire and dam are by the International Grand Champion, Oakwood Merry King. This concentration of Merry King blood has produced an outstanding calf with all the herd sire requirements.

CHERRY HILL ARGOSY—A full brother to C H Orange Blossom, our senior yearling show heifer that will also be sold in the International Sale. This calf shows a lot of promise, he has a strong head, a good spring of rib, plenty of thickness and is smooth.

CLARALAN RED KING — A very good, smooth dark red bull. The fourth dam on his dam's side was Imp. Roan Lady 36th that produced two International Grand Champions.

L S F ROYAL LEADER 2d—This excellent son of Montezuma has been outstanding from the day he was calved. He comes from the famous Estelle family that has produced some of the breed's greatest herd bulls. He is short legged, deep bodied, well quartered and has a perfect tail setting. He was the first prize senior bull calf at the 1948 Michigan State Fair.

1947 International Grand Champion Bull

Millbrook Crown x2384765, Grand Champion Polled Shorthorn bull at the 1947 International, is a sample of the super-efficient modern beef type of today's Polled Shorthorns. He was calved June 11, 1946, and was bred and exhibited by William H. McDonnell of Yorkville and Chicago, Ill. The Champion's sire is Millbrook Sentry x2250461, a McDonnell bred son of Mardale's Crown and out of Millbrook Rose, a McDonnell bred female. Mardale's Crown was bred by Fred Blomstrom & Sons, Waverly, Neb.

Millbrook Crown's dam is Maxwalton Gloster 87th x2053170, bred by P. G. Ross, Maxwalton Farm, Mansfield, Ohio, and with Ross bred sire and dam, Maxwalton A Wun sx and Maxwalton Gloster 57th.

These names in Millbrook Crown's pedigree have appeared time and again in the International and Polled Shorthorn Congress sale catalogs. No richer source of animals with the capabilities of producing tomorrow's champions will be found than right here among the bulls and females offered in this sale. They are bred right, produced in herds backed by superior skill in mixing bloodlines, and embody to the highest degree the ideal beef type of today.

1947 Grand Champion and Top Selling Female

The Grand Champion Polled Short-horn female at the 1947 International Live Stock Show was also the top selling animal at the 1947 International Polled Shorthorn sale. This short-bodied roan female, Clarissa Coronita 4th x2413259, was an entry from the herd of Lewis W. Thieman of Concordia, Mo. She sold at \$2,500 to Ben W. Franklin of Kingston, Ont. She was calved Oct. 7, 1946, and is sired by the Thieman herd bull, King of the Vanities x2123419, a son of Cherry Coronet, sire of the 1941 International Grand Champion bull, and out of the

Thieman bred Vanity Queen 5th, Grand Champion at the 1940 International; Clarissa Coronita 4th's dam was Clarissa by Joffre's Marshal 4th, out of Clarice 2d, all bred by Johnston & Auld of Guide Rock, Neb. Clarissa Coronita 4th epitomizes the good females you always find at the International sales, and there are a lot of championship prospects in the 1948 offering. Don't fail to look them over.

High Selling Bull at the 1947 International Sale

Glen Knolls Monarch 2d x2352921, topped the International Polled Shorthorn sale last year at \$1,500 in a sale which averaged \$661 for 54 head. This bull was consigned by A. G. Schubert of Hamilton, Ohio, and purchased by J. W. Bennett of Winona, Wash. He comes from a sire and dam which also produced the high selling bull at the 1946 International sale, both animals coming to these sales fresh from notable triumphs at the current year's state fairs.

The sire of both was Collynie Monarch x2103733, bred by Charles H. Nickel & Sons of Carmel, Ind., and sired by Collynie Masterstroke 3d, bred by Fred A. Johnson of Elm Creek, Neb., and out of Augusta 108th, bred by Albert Hultine & Sons, Saronville, Neb.

The dam of both is Miss Perfection x1783529, bred by H. C. Rose & Sons of Ross-ville, Ind., and daughter of the Nickel bred bull, Cumberland Emblem, and out of the Rose bred dam, Matchless Missie.

Here again is illustrated the high calibre of offering to be found at the International Polled Shorthorn sales. We invite you to see this grand consignment.

Another Grand Champion Steer

By a Polled Bull

The Grand Champion steer over all breeds at the "biggest little fair in the world"—the Clay County and Northwest District Show at Spencer, Iowa—is this 1,090 lb. steer sired by the Polled Shorthorn bull, Supreme Monarch x. The steer came from the herd of Mrs. Hans Johansen of Cavour, S. Dak., who has a commercial herd originally all purebred, and although not now registered has a very uniform bunch of cows headed by Supreme Monarch x. The steer, exhibited by Kenneth Carlson of Spencer, won in

competition with 441 others of all breeds. He was purchased at 90 cents a lb. by the Hart Motor Co. of Spencer, Iowa.

Although this picture is not too good, this April calf was one of the most popular champions ever seen at this show with more even, mellow fleshing than any pre-champion, according to Floyd Clausen of Spencer, Iowa.

Supreme Monarch x was bred by A. Lopau & Sons of Pipestone, Minn., and is a son of Superb Monarch x and out of Cherry Broadhooks, both owned by the Lopau firm. This is the second champion steer over all breeds this year winning in impressive competition, sired by a Polled Shorthorn bull.

HILLDALE AUGUSTA MAY—The best heifer we have ever raised. She was successfully shown last year at the age of four months in one of the nation's strongest horned shows, and was Reserve Champion at the Whitman County Fair. Was a first prize class winner, member of the champion pair of calves and third place Get of Sire at the 1947 Pacific International. Is a member of our present show herd and is better than ever. Bangs vaccinated. Sells open.

"A Pursuit Which Never Tires!"

"To breed these animals in purity of blood and perfection of type is one of the noblest and most satisfying occupations of men. No other endeavour yields higher returns

in the joy of achievement or tempers labour with more pleasure and happiness. . . . The beauty of the herd at pasture delights the eye. Their thriftiness satisfies the desire for profit and their carcasses gratify mundane appetites. To breed Shorthorns is good; to breed good Shorthorns is better; to breed better Shorthorns is an achievement. And an achievement which tests the resourcefulness, intelligence and judgment of the breeder. It is an occupation which lasts a lifetime without monotony; a pursuit which never tires; a labour which is its own reward. Small wonder that it engages the attention of and knits in friendly bonds a large and choice Brotherhood. . . . We are large in numbers, but we have only begun to grow. There will be rewards in store which cannot be measured."—H. L. STRAUS, president, American Shorthorn Breeders' Association and American Polled Shorthorn Society. (SHORTHORN WORLD, August 10, 1948.)

MAXWALTON GLOSTER 135th—Is a well developed heifer with plenty of carrying capacity. With her breeding and general appearance she is sure to make a real brood cow. This family of cows, the Glosters, were considered the most reliable in the Maxwalton herd and have continued to be so in the Maxwalton Polled Shorthorn herd. Maxwalton Gloster 87th topped the International Sale in 1941 and produced the 1947 International Grand Champion bull. Maxwalton Gloster 101st was the Grand Champion and top selling female of the 1943 Congress. Maxwalton Gloster 106th was the top selling female of the 1944 Congress to Cherry Hill Farm. Her dam was sold the following day at the age of nine years for \$2,500. Bangs vaccinated.

CHERRY HILL GLOSTER 10th—A full brother heads the herd for Albert E. Mackenzie, Yerington, Nevada. He was purchased as a calf for \$1,000. This heifer is the same type as the other daughters of Collynie Compact which have gained recognition wherever shown. They have won the Championship at the 1946 International, 1947 and 1948 Congress, and Reserve Champion at the 1947 International. Bangs vaccinated.

OAKWOOD GOOD FORTUNE—Is a dark, even roan heifer that we offer with every confidence of her worth as a breeding cow. She is the first daughter of Oakwood Grand Duke, the Janesway bull that topped our 1946 sale at \$5,000. Her dam is a full sister to Oakwood Fortune 14th, dam of the \$2,500 heifer sold by Thieman in the 1948 Congress to Sperry Farms of New York. Note the four sires in the third bracket of her pedigree—Coldock Union Jack, Supreme Perth Champion, and Oakwood Royal King, 1930 International Grand Champion and peer of sires in three crosses. Such inheritance guarantees much in any female and is rarely available. Calthood Bangs vaccinated.

L S F PRINCESS ROYAL 18th—Here is a heifer we should keep but would like to show the public the kind of calves Montezuma is siring. She is the first calf sired by Montezuma on our farm and is developing into a wonderful brood cow prospect. She is sweet headed, thick, deep bodied and has plenty of spread over the top. She won the strongest female class at the Ohio State Fair and the next week was Grand Champion female at Michigan. She comes from our great producing Princess Royal family. Calf-hood bangs vaccinated.

The increase in popularity of Polled Shorthorns is evidenced sharply by the progress of the first 11 months of the 1948 fiscal year. Values at all the Polled Shorthorn auction sales are up \$19 more per head than the same period last year—\$435 this year as compared to \$416 last year. A new all-time high average of \$650 a head, or \$92 more than a year ago was set at the 1948

Polled Shorthorn Congress. More Polled Shorthorn bulls are being used for cross-breeding and for natural dehorning of beef herds than ever before.

That is what a membership from thousands of breeders has helped accomplish. You keep those Polled Shorthorn progress lines going up when you become a member. A membership saves you from \$15 to \$50 and up each year, depending upon the size of your herd. In addition you have a voice in all Association elections. A Class B LIFE MEMBERSHIP costs only \$10 with yearly dues of \$1, a total of \$11. Join today. FOLLOW THE LEADERS TO GREATER PROFIT. Polled Shorthorn Society, 7 Dexter Ave., Chicago 9, Illinois.

May I Have the Last Word?

"I'm fairly new at this game in years, but I hope to see you at this sale. There is no more pleasing sight than a bunch of us in your pasture either winter or summer. You should also know that we have all the advantages of other beef breeds and none of the disadvantages. We can put the most weight on the scales at any age and do it in a hurry, and we add to that the advantage of having no horns. We get along better in the pastures not only with ourselves, but also with all the other farm livestock. Then, too, you can get more of us in a shed or truck, and we are the peaceful ones at the feed trough. Instead of trying to show who is boss we get right to the business of eating to put on those profit-producing pounds—no lost motion, no time wasted. We have carried our owners through economic depressions on to the high roads of prosperity. And lest you forget, **WE ARE TRULY** the coming breed because we have everything."—A CALF WHO KNOWS.
